ABOUT US

*We are a modern and fresh paper goods company
that loves clean lines and the color black.*

Yet, we also love mixing in hand-drawn illustrations and pink!

Our products are made to bring joy and celebrate the timeless love for stationery.

*In only our fifth year of wholesale;
our products have been sold in over 1,500 stores,
have won Louie awards,
and have been postmarked to friends and family all over the world.*

*Our hope is that you love our style –
and agree that a handwritten note is
“better than a text... and cuter than an e-mail”.*
